WATERSHED III DRAINAGE IMPROVEMENTS - (Banyan/Glentower Project)

The City of Castle Hills will begin drainage and roadway improvements for Banyan Drive and Glentower Drive. The drainage improvements will include constructing a new underground storm sewer system with curb inlets and drainage channel parallel to NW Military frontage road.

The roadway improvements will include reconstruction along Banyan and Glentower, adding sidewalks to the south side of Banyan Drive and both sides of Glentower Drive as well as pedestrian ramps and driveway reconstruction.

- Concrete pavement on Banyan Drive from east of Carolwood Drive to just past Glentower Drive (0.12 miles)
- Asphalt pavement on Glentower Drive from Banyan Drive to NW Military Highway (0.07 miles)
- Add 5-foot sidewalks
- Add underground storm sewer system
- Construction expected to begin March 2020
