**CITY OF CASTLE HILLS
MUNICIPAL ENGINEERING
SERVICES REQUEST FOR
QUALIFICATIONS**

I. INTRODUCTION AND PURPOSE OF REQUEST

The City of Castle Hills located in Bexar County, hereinafter referred to as “the City”, is soliciting Statement of Qualifications from engineering firms, hereinafter referred to as “the Firm” or “City Engineer”, which have five (5) years or more of comprehensive experience in providing municipal engineering services as outlined in the SCOPE OF SERVICES section of this request.

On an on-going basis and as subject to contract renewal terms as defined by the City, the City intends to have the Firm selected function as the “City Engineer” to review proposed commercial and residential development plans in order to determine compliance with applicable laws and ordinances implemented or adopted by the City, and also to function as a consultant to the City in development matters. The City further intends to have the Firm design and/or monitor the construction of municipal projects, including roadway/street, water, storm water, and drainage as well as a variety of other projects. The services requested will require the Firm to be licensed to practice engineering in the State of Texas and must also employ Professional Engineers licensed in the State of Texas. The City reserves the right to select an engineer other than the designated City engineer on a specific project basis as determined by the City Council to be in the best interest of the City.

II. GENERAL INFORMATION

The City of Castle Hills is a small community incorporated in 1951 of 4,300 people and covering 2.5 square miles. The city is located within metropolitan San Antonio, Texas. The city boundaries are Jackson-Keller Road on the south, Lockhill Selma Road on the north, Blanco Road on the east and the T&NORR tracks on the west.

Castle Hills is governed by an elected Mayor and a five-member City Council elected to two-year overlapping terms. The firm selected would work extensively with the Public Works and Administration Departments. The City’s annual total budget is approximately \$7.6 million.

The City has the following departments: Administration, Public Works, Police, and Fire. The City is serviced by the San Antonio Water System for water and wastewater. The City’s electric utility is provided entirely by CPS.

The City Council appoints the City Manager to serve as the City’s Chief Administrative Officer. The City Manager is responsible for the day-to-day operation of the City, including oversight of contracts and contracted staff. The City of Castle Hills is working to complete a number infrastructure projects such as streets and

drainage projects which are outlined in the City's Capital Improvement Plan (CIP). Recently, the City has completed a number of drainage projects and the reconstruction of over ten streets in the community.

III. SCOPE OF SERVICES

Castle Hills is searching for a firm that will provide professional contracted services for engineering. The City Engineer will not be an employee of the City of Castle Hills for any purpose, including but not limited to the application of the Social Security Act, the Fair Labor Standards Act, the Federal Insurance Contribution Act and the Texas Unemployment Compensation Act. The general work elements are outlined below.

- A. **Plan Review Services:** The selected consulting City Engineer will provide technical review of, and answer inquiries relating to, site plans, subdivision plans and plats, improvement plans, land disturbance plans, and construction plans relating to projects proposed by applicants to be developed in the City to ensure conformance to codes adopted by the City, as well as state and federal laws.
- B. **City Project Design Services:** The selected consulting City Engineer must have the capability to design a full array of public works type projects including transportation infrastructure systems and stormwater management systems in a manner that is functional and cost effective.
